WORKING WITH ADDICTIVE PROCESSES

Who is this workshop for?

This course will suit anyone who already has a basic understanding and experience of the counselling process and is interested in how addiction affects the family both individually and as a system. This will help to improve the understanding, knowledge and experience of those wishing to work with addiction and with addiction within the family.

Time:
9.30am
to
4:30pm

Date:
Saturday
7th July
2018

Aims Of the course

- To understand what addictive processes are
- To understand how the addictive process occurs
- To learn ways of working with addictive processes within the family as a whole and with individuals
- To be able to identify the signs and symptoms of addictive processes
- To know what help is in the community for addictive processes
- To understand the effect of addictive processes on the family

CPD: 7 hours
